WINTER INTERNSHIP 2023 (WI23)

Oil and Gas Drilling

Drilling Mentor Private Limited, located in Ahmedabad, is proud to announce the continuation of its Winter Internship Programme for the year 2023, focused on the field of Oil and Gas Drilling. Our primary aim is to foster the development of promising students hailing from various esteemed institutions within India and abroad. Programs have been designed to provide a platform for individuals to embark on innovative projects within the oil and gas upstream sector, all under the expert guidance of our esteemed faculty members.

We are pleased to offer this internship opportunity across three specialized departments:

Department of Petroleum Engineering or Technology

Department of Mechanical Engineering

Department of Chemical Engineering

Through this internship, we aim to empower and nurture the future leaders and innovators in the field of oil and gas drilling. Join us in this transformative experience as we delve into the intricacies of the upstream sector and work towards advancing the industry's knowledge and practices.

Offline Program Venue

Drilling Mentor Private Limited extends a warm invitation to its Winter Internship Programme, with a physical presence at our state-of-the-art facility with detailed address:

*410, Swarnim the Business Hub
Opposite SMS Multi-Specialty Hospital

Online Instructor-led Programs

For those seeking a flexible and interactive learning experience, we proudly offer our Online Instructor-led Program, brought to you by Drilling Mentor Private Limited, from the same location.

Duration

Immerse yourself in a comprehensive internship that spans a period of 6 to 8 weeks, running from December 2023 through February 2024.

Eligibility

Opportunity is open to candidates who meet the following stringent criteria:

Holders of a Bachelor's degree in Technology (B. Tech), Engineering (B.E), or a Bachelor of Science in Engineering (B.Sc. Engg).

Completion of a minimum of two semesters in one of the following disciplines: Petroleum Engineering/Technology

Mechanical Engineering

Chemical Engineering

Please take note that we also extend eligibility to recent graduates from the aforementioned fields, subject to the availability of positions.

Registration and Seat Availability

Secure your place in this competitive program through prompt registration on a first-come, first-served basis. It is imperative to understand that this internship is offered without financial remuneration and incurs a fee. Additionally, candidates are responsible for their own travel, accommodation, and meal expenses.

Application Process

Joining our program is a straightforward process. Follow these instructions:

Obtain the registration form and detailed brochure from our official website: www.drillingmentor.com

Complete the registration form meticulously by populating the designated 11 yellow cells within the Excel document. Preserve the original format of the registration form, avoiding any conversions to PDF. Compile the fully filled registration form along with other requisite documents and forward them via email to: info@drillingmentor.com
